

Why Jesus?

When?

Jesus is real

The focal point of time itself is centered on the birth of Jesus Christ and is the dividing point of time in world history. BC (before Christ) counts the years before the birth of Jesus. AD (Anno Domini) counts the years after the birth of Jesus. There is more proof for Jesus' existence than for Julius Caesar.

Who?

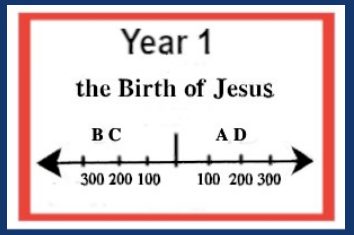

Jesus is God

Jesus Christ is the Son of God.
He is God in human form.
He said "I and my Father are one"(John 10:30)
He healed the sick and raised the dead.
He calmed stormy seas.
He predicted His death and resurrection.
He rose from the dead and ascended into Heaven.
